Winter: 2012

Every year I am surprised at how fast new year comes. We have many things planned for 2012. Sewing with the Stars, Christmas in July, Quick gift bonanza, and much more. Keep checking your e-mail for these upcoming events.

Some new things happening at Sound Sewing and PFAFF Creative Sewing Center, we have a lot of new notions coming in every month. These notions include books on free motion quilting, Jenny Haskins thread available in both stores, and much more. Be sure to ask an associate what's new. We would love to show you.

To make room we are closing out our fabric in our Lacey location. All quilters fabric is \$7 a yard. We have many great pieces left.

In Silverdale we are adding a 40 inch flat screen TV for our open sew Mondays, and our

computer classes and 2 more tables. We are very excited about our changes that will allow us to better serve you.

Just want to remind everyone that with the new year be sure to keep your machines cleaned and oiled. The winter cold months can be hard on your machines if they are not kept in a warm spot in the house. By keeping your bobbin case and feed dog area clean of lint, as well as the machine oiled you will give your machine a longer life. If you need any help by sure to stop

by one of our stores so we can help you with your sewing needs.

Hope everyone had a safe and happy holiday season. We will see you in the stores.

Thank you,
Charlene, Christina, Mike, and Staff
