Winter 2020

We're very proud of this set of classes. There are a lot of new classes and some of your more popular classes repeated.

If the dates for the “Madeline Wedding Ring Runner & Digitizing”, “The Reusable Grocery Bag”, or the “Intermediate Sampler Ruler Quilt” class don't work for you this newsletter, don't worry. They will be offered again in the next newsletter.

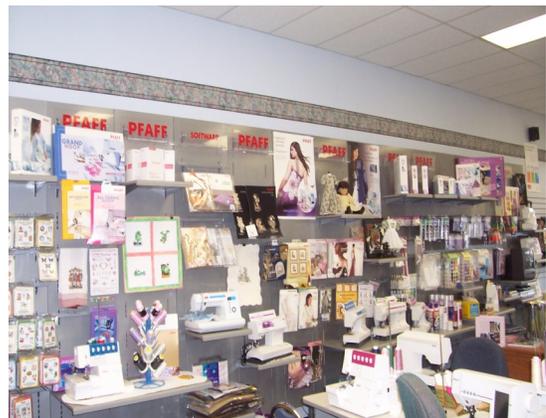

You will also notice that we have a Serger project besides the workbook classes. We do plan on continuing to offer Serger projects to ensure your Serger education.

Have any suggestions of classes please share with us.
